📍 Irvine / Houston

Elizabeth W. Hull serves as general counsel and special counsel to public agencies throughout Southern California. She is a partner in the Municipal Law practice group of Best Best & Krieger LLP, serves on the firm's Executive Committee and is based in the Irvine and San Diego offices. Elizabeth also focuses on economic development and community development work for public and private clients.

Elizabeth serves as City Attorney for the City El Paso de Robles, General Counsel to the Helix Water District and provides special counsel work to numerous cities and housing authorities. Her special counsel work is focused on development of housing (affordable and market rate), real estate and economic development. Elizabeth is barred in Texas and represents public agencies in Texas on the development of affordable housing.

She regularly provides advice to public agencies on real estate transactions and negotiating and drafting a variety of agreements, including:

- Disposition and development agreements
- Affordable housing agreements
- Public-private partnerships
- Other agreements necessary to facilitate development

Prior to joining BBK, Elizabeth served as assistant city attorney for Development Services for the City of Chula Vista. During her more than eight years with Chula Vista, she represented and advised city departments, the City Council and the Chula Vista Redevelopment Corporation and Redevelopment Agency on a wide range of redevelopment, planning, land use and construction issues. She also provided advice to the City Council, Board members and commissioners on the Brown Act, Public Records Act, Political Reform Act and other conflict of interest laws. Elizabeth advised the City, Clerk, Community Development, Housing, General Services, Planning and Building departments and served as staff attorney to the Planning, Ethics and Charter Review commissions.

As legal advisor to the General Services Department, Elizabeth advised on the acquisition of land for, and drafted the agreements required to, construct a variety of public works projects utilizing traditional low-bid,
