📍 Los Angeles

Lauren serves as City Attorney for the City of West Hollywood, as legal counsel for the Westside Cities Council of Governments, as special land use counsel for many of the firm's clients and served as the interim City Attorney for the City of Downey from 2022-2023.

Lauren's practice consists of advising city clients on land use, zoning, environmental and housing laws (including Density Bonus Law, the Housing Accountability Act, the Housing Crisis Act (SB 330) and the California Environmental Quality Act (CEQA)). Lauren also drafts legislation and contracts and advises on all other legal issues associated with Municipal Law practice, such as the Brown Act and California Public Records Act.

In addition to her land use and Municipal Law experience, Lauren is highly skilled in drafting and implementing other critical and complex municipal ordinances for her city clients in areas such as tenant protection, cannabis regulation, density bonus and wireless infrastructure. Lauren also handles litigation matters for her city clients. Lauren enjoys practicing Municipal Law, as it allows her to work on issues that are critical to the community and impact people's daily lives — everything from safe streets to housing to the environment. Lauren focuses on building relationships with clients and consensus among all stakeholders to help cities run well and manage their issues. Before joining Best Best & Krieger LLP, she practiced at Jenkins & Hugin for 12 years.
