📍 Bend

Kari Cameron is a senior paralegal in Best Best & Krieger LLP's (BBK) energy practice group, specializing in practice and procedure before the California Public Utilities Commission. Kari works closely with clients on regulatory compliance with CPUC program mandates.

Prior to joining BBK, Kari was an industry specialist paralegal at a law firm in San Francisco, California focusing on electricity, natural gas and pipeline matters for energy producers, end-users, and community choice aggregators.

She served as a liaison between firm counsel, outside counsel, and business unit personnel managing work flows and budgets to enable clients to meet their advocacy goals. With more than 25 years of experience in the regulated industries field, Kari brings a broad range of experience to BBK.

Kari enjoys spending time with her husband and grown children, traveling to Europe and gardening.

**Paralegals are not licensed attorneys. Under California law, paralegals are not authorized to provide legal advice.*

Notable Experience

- Analyzing complex agency initiatives, decisions and stakeholder proposals.
- Drafting, and administering utility (electric and natural gas) contracts.
- Anti-trust monitoring, legal research and compliance reporting.
- Strategic planning and budget forecasting, tracking and reporting.
- Program development and training instructor for technical writing and document systems.
- Tracking and reporting on state and federal legislation affecting client operations.
- Researching, monitoring and reporting on multiple states and federal regulatory proceedings.
- Participating in stakeholder meetings, workshops, events for regional transmission organizations and system operators.
- Preparing presentations educating on industry programs.
