Bennett A. Givens is an associate at Best Best & Krieger LLP who focuses on telecommunications, land use and real estate. He regularly assists clients in California and across the country with a wide range of regulatory and transactional matters involving broadband and fiber networks, cable and telecom franchising, leases and licenses, wireless communications and public-private partnerships.

Bennett primarily represents public agencies, cooperatives, nonprofits and small competitive providers on a wide range of issues related to telecommunications infrastructure.

While earning his law degree at Loyola Law School, Los Angeles, Bennett served as chief research editor for the *Entertainment Law Review*.
